<b>TIME:</b>	3:31pm

### AGENDA ITEMS

#### Call the meeting to order

Meeting was called to order by Danielle Williams and seconded by Kiki Hatch.

#### Welcome to PTO

Danielle welcomed everyone to the meeting.

#### House Keeping

Sandwich Board for fundraising, have \$95 leftover from the shelves project which we can use. It will have a link for direct donation. Water filter- Mr. Stern brought information- they are curious who is going to pay for the maintenance, and they believe the estimate for installation is going to be more expensive. District is particular about how and where it is being installed. Kimberly Ludwig asked who the person in charge is. Whitney in maintenance is the contact. Mr Stern and Kimberly will coordinate. Parent Rudy asked why the school district won't pay for it. Mr Stern mentioned that other schools may have their PTOs paying for it. Erich Miller expressed frustration that other schools have this already in place and we have to beg for it. Danielle mentioned that we could put together a parent better, Kimberly Ludwig volunteered to create it and get it circulating.

#### Principal Update

I-ready testing coming up for midyear assessment. Kids have a music show on Thursday. Gratitude focus this year. Last week of December is Spirit Week.

#### Fundraising Update

Panda did better this year than other years. Next month is Blaze Pizza in Legends Friday Dec 12th. This is a new one for us, it can make 30% while other restaurants are typically 20%. Kiva Juice and Jamba juice were mentioned as ideas. This is all experiments to use the data and make different decisions in the future. Instead of the fall fundraiser, corporate sponsorships, direct deposits, more restaurant nights are trying to make up the difference. Big Horn Tavern was mentioned and reminded people that a portion of the chicken sandwiches go back to the school.

#### **Holiday Program Update**

Jenn Isenberg was mentioned in helping plan the event. Sat Dec 13th 9-12, Big Horn Sponsored Santa. Letters to Santa, activities, choirs. Mrs Williams mentioned that the kids at McQueen need volunteer hours to graduate. If you reach out to the front desk there, they can help connect us to people who may be able to help.

#### **Art Program**

Sam Cromwell has been a huge help organizing. Will is close to being able to have volunteers prep crates, keep an eye out for that.

#### **Budget Update**

Kimberly asked if the water filtration system is able to be funded from what we have. More information needed before we can answer that.

#### **Looking Ahead**

Bingo, January. Glow Dance, February. Talent Show, April. Fun Run, May.

#### **Questions, Comments, Concerns**

#### **Adjournment/ Next Meeting Date and Time**

Thank you to all for being here. Kikil motion to adjourn, Danielle to second. Meeting adjourned at 4pm.
